However, you could still be eligible for Medicaid if you have a disability or special health care needs that you didn't report on your application. COBRA Election Form

Model COBRA Continuation Coverage Election Notice (For use by single-employer group health plans)

IMPORTANT INFORMATION: COBRA Continuation Coverage and other Health Coverage Alternatives

March 5, 2018

Dear Mr. _____

This notice has important information about your right to continue your health care coverage in the [enter name of group health plan] (the Plan), as well as other health coverage options that may be available to you, including coverage through the Health Insurance Marketplace at www.HealthCare.gov or call 1-800-318-2596. You may be able to get coverage through the Health Insurance Marketplace that costs less than COBRA continuation coverage. Please read the information in this notice very carefully before you make your decision. If you choose to elect COBRA continuation coverage, you should use the election form provided later in this notice.

Why am I getting this notice?

You're getting this notice because your coverage under the Plan will end on February 28, 2018, due to [check appropriate box]:

- | | |
|--|---|
| <input type="checkbox"/> End of employment | <input type="checkbox"/> Reduction in hours of employment |
| <input type="checkbox"/> Death of employee | <input type="checkbox"/> Divorce or legal separation |
| <input type="checkbox"/> Entitlement to Medicare | <input type="checkbox"/> Loss of dependent child status |

Federal law requires that most group health plans (including this Plan) give employees and their families the opportunity to continue their health care coverage through COBRA continuation coverage when there's a "qualifying event" that would result in a loss of coverage under an employer's plan.

What's COBRA continuation coverage?

COBRA continuation coverage is the same coverage that the Plan gives to other participants or beneficiaries who aren't getting continuation coverage. Each "qualified beneficiary" (described below) who elects COBRA continuation coverage will have the same rights under the Plan as other participants or beneficiaries covered under the Plan.

Who are the qualified beneficiaries?

Each person ("qualified beneficiary") in the category(ies) checked below can elect COBRA continuation coverage:
